

## *CasaCooper - Inventory*

We understand that items such as the odd piece of crockery or glass will get broken as part of daily living and we do not intend to charge for this type of mishap unless it is extensive. All we ask is that you are open and honest with our agent and let her know of any breakages so that they can be replaced for the next visitors.

Please note however, that should there be any major breakages or damages to the property or objects within it then this will unfortunately have to be deducted from the security deposit, as per the terms of the rental agreement.
